

Charline Payne

Charline Payne joined the board in 2015. She is excited to help Foy's To Blacktail Trails as it transitions its focus to care and support of the land. She has enjoyed the Flathead Valley since 1988 and Herron Park since 2004. She remembers a day a few years ago when the Flathead Combined Training Association had a horse show in the meadow, bikers were grooving on the hill watching and the Herron Hustle Run was in progress. Isn't that what it's all about? All types of users enjoying and supporting this wonderful resource.

Charline is mostly retired after working at Stebbins Orthodontics for 26 years. She has two grown sons, two stepsons and two grandchildren. She and her husband, Tom, can be seen using the trails at Herron Park experiencing a new sport, Horse Hiking! She rides her palomino horse Sunny and Tom hikes with the two dogs, Buddy and Tilly. Charline loves Herron Park and the trails so much she told her realtor to start looking for a home near Herron and radiate out from there. She's happy to live in Smith Valley and only has to drive six miles.
