

Trish Eaton has lived in the Flathead Valley since 2006 and enjoys year round activities on the trails including hiking, mountain biking and walking her dog Cody. She has a Bachelors degree in Mathematics and a Masters degree in Business Administration. She has 20 years experience in project management, financial analysis and accounting.

Trish is excited to bring her financial expertise and her love of the trails to advocate for and advance the mission of Foy's To Blacktail Trails. She is honored to be a part of the talented and dedicated Board and thankful for the support of the county, businesses and individuals. She added, "When I visit the trails and see the many users, I smile knowing that I helped make it happen."
