

Donor Recognition Opportunities
FOY'S TO BLACKTAIL TRAILS
 Front Door Recreation Campaign

Foy's to Blacktail Trails is pleased to present donors of all levels with unique recognition no matter your level of contribution. In keeping with the spirit of the trail system, we are planning for the use of native rock cairn trail markers to lead recreationists through the tapestry of trails while thanking those who substantially ensured these trails were built.

We look forward to working with local craftsmen and masons to guarantee a natural, yet representative marker of your individual commitment to outdoor recreation in the Flathead Valley.
