

Lynn Foster joined the board in 2019, excited to help grow and maintain the Foy's to Blacktail trail system after enjoying years of multi-sport use. Along with her love of Flathead Valley recreation, Lynn brings extensive fund-raising, marketing, and business experience to the board.

Lynn grew up riding horses on an Idaho cattle ranch, received her B.A. in Organization Communications and Business Marketing from the University of Montana in 1995, then moved to Kalispell in 1996. She worked at Outfitters Supply in Columbia Falls for 25 years before leaving her General Manager position there and joining A7 Cycles as a part owner and bike mechanic in April 2021.

Outside of work, Lynn is the volunteer Team Director, GRIT (Girls Riding Together) coordinator, and coach for the Flathead Valley Composite NICA youth mountain bike team. She has her BICP level one mountain bike instructor certification, and coaches at several women's mountain bike clinics each year. Any of Lynn's spare time is spent mountain biking, bike packing, hiking, flyfishing, skiing, or enjoying a good book.
